

PRESS RELEASE

## WIIT is Euronext Tech Leader

**Milan, 21st of June 2022 - WIIT S.p.A.\***, one of the most important European cloud computing providers in the hybrid cloud and hosted private cloud market, specializing in business continuity services and mission-critical applications for enterprises, has been included in the new "Euronext Tech Leaders" segment of the multi-country stock exchange Euronext. The segment includes more than 100 high-growth and leading technology companies across Europe.

Euronext Tech Leaders consists of 108 selected technology companies listed on one of the seven exchanges operated by Euronext, with a combined market capitalization of one trillion euros. Among other things, the new segment serves to demonstrate the strength of the European technology industry. It also enables analysts and investors to compare European tech companies and invest in the European technology sector. In this way, the segment acts as a catalyst for the next generation of tech leaders.

Christoph Herrnkind, spokesperson for WIIT in Germany, says: "We are very proud to be one of the companies representing Europe's technology potential as a Euronext Tech Leader. As a European company with Italian roots and a strong presence in Germany, we strongly believe in Europe as a technology location. The segment gathers outstanding tech leaders that strengthen Europe's innovative power and we are very pleased to contribute as WIIT Group."

WIIT Group is already listed in the Euronext Growth Milan and Euronext STAR Milan indices. In the first quarter of 2022, the group generated sales of €26.4 million. The company generated more than half of its sales (53.6%) in Germany. In March 2022, WIIT officially announced its launch as an umbrella brand on the German market. Prior to this, the company had acquired the cloud, hosting and DevOps specialists myLoc managed IT, MIVITEC, Boreus and GECKO in Germany and integrated them into the corporate group. WIIT now employs more than 300 people in Germany at five locations in Düsseldorf, Munich, Stralsund, Rostock and Berlin.

\*"WIIT" or the "**Company**"; ISIN IT0005440893; WIIT.MI; listed on the Euronext STAR Milan segment of the Euronext Milan market organized and managed by Borsa Italiana S.p.A.

### WIIT S.p.A.

WIIT S.p.A., a company listed on the Euronext Star Milan ("STAR") segment, is a leader in cloud computing. Through its continuous expansion, the company is present in key markets such as Italy and Germany and is one of the main providers of innovative technology solutions in the Hosted Private and Hybrid Cloud sectors. WIIT operates 14 of its own data centers, eleven of which are located in Germany and three in Italy, two of which are Tier IV certified by the Uptime Institute. The company also has six SAP certifications at the highest level of specialization. The end-to-end approach enables WIIT to provide its partner companies with customised services with high added value and the highest security and quality standards for the management of business-critical applications and business continuity. In addition, the company offers maximum reliability in the management of the most important international application platforms (SAP, Oracle and Microsoft).
